**Series: Questions**

**Title: “Do you believe I am able to do this?”**

**Text: Matthew 9:27-34**

***Introduction:***

**Two things to keep in mind about faith...**

1. Faith seems to move the heart of God
  2. Faith is not a mathematical equation
- We should desire a faith that brings honor to Christ, not a faith that just gives us what we want.

**A faith that brings honor to Christ...**

1. Is a faith that believes even when it doesn't see. (Hebrews 11:1)
2. Is a faith that persists even when nothing happens. (Col. 4:2)
3. Is a faith that works even when it doesn't make sense. (James 2:22)
