

Title: The Gates to the Promised Land

Text: Numbers 13-14:10

Big Idea: We enter and flourish in the kingdom through faith.

Intro: God made the promised land impossible to enter.

If God's kingdom is entered and lived in by faith, what does God want to say about it through our text...

1. There comes a time to just do it! (num. 13:1-2; Deut. 1:21-22)
2. The difference between living a life of faith or a life of doubt is determining what will lead you. (Num. 13:27;28-29;30)

- Key words in living by faith - **Remember** and **Elevate**

3. Remember there is an enemy that would like to steal God's glory and send you back to Egypt.
