

## *A note from Pastor Owen Scott...*

One of the first things a new believer discovers after he/she comes to faith in Christ is that God has given His Word, the Bible, as a *blueprint for living*. Our Bible is composed of 66 books written by over 40 people over a period of some 1400 years, yet whenever you read it with faith, it becomes a living book with a supernatural ability to change your life. God speaks to His children through His Word and when they obey its commands, life transformation takes place every time without exception. I encourage you to set 15-20 minutes aside at the beginning of each day and begin to read God's love letter to you. If you're new at this, start with the Gospel of John, then read Philippians, followed by the book of Psalms. From there you can begin to tackle other books of the Bible such as Romans, Colossians or the 5 books of Moses (Genesis, Exodus, Leviticus, Numbers and Deuteronomy). After that you're ready for the minor prophets, the major prophets (Jeremiah is my personal favorite) and even the book of Revelation. The more you read God's Word, the more your life will change. One closing note of encouragement...If you have just the Holy Spirit, you'll "*blow up*"...if you have just the Bible, you'll "*dry up*"...but if you have the Spirit and the Word, you'll "*grow up*"!
