

A note from Pastor Owen...

I have never heard a good explanation as to why the modern day church has lost touch with the Holy Spirit. The early church understood the whole matter and so prayed with those who were baptized in water to receive the baptism in the Holy Spirit. The initiation process had three elements...exorcism from evil spirits...baptism in water and baptism in the Holy Spirit. Each gospel and the Book of Acts refer to both baptisms. The church baptizes in water and Jesus baptizes in the Holy Spirit (See Matthew 3:11; Mark 1:8; Luke 3:16; John 1:33; Acts 1:5 and 11:16. Have you been baptized in the Spirit? Don't delay receiving this important experience. This is the power that blesses the church. All over the world people are being baptized in the Holy Spirit. It is foundational to powerful church life that the members all have their own Pentecost experience.
